### MEET PROCEDURES:

1. Rules and Regulations of the USA Swimming Inc. and Ohio Swimming Inc. shall apply.
2. All swimmers must be registered athletes of USA Swimming and must be prepared to prove current USA Swimming membership at the time of the meet. We are requesting that all swimmers from outside the Ohio LSC include a photocopy of their USA Swimming card with their meet entry in order that we may verify USA Swimming membership for non-Ohio LSC swimmers in advance.
3. All coaches will be required to sign-in and present their USA Swimming Coaching Membership Card to the Meet Director prior to each session. Coaches are required to wear their Membership Card in a visible place on their person in order to be on deck.
4. All events are timed finals with the first heat of each event being comprised of the slowest times entered. Swimmers with no established times should be entered as "NT" (no time) and will be the slowest times seeded
5. **Each swimmer may enter and swim a maximum of 5 individual events per day.**
6. Warm-Up Procedures: Swimmers must enter the water with one hand in contact with the pool except under coaches' supervision in lanes specifically set aside for diving at prescribed times. During warm-ups each team will be assigned a specific lane for that warm-up period only. Please carefully check the warm-up times and assignments. Our goal is to safely warm the swimmers up and we are trying to avoid overcrowding.
7. Swimmers with Disabilities
  - Enter the swimmer on Hy-Tek or the paper entry form
  - Provide advance notice of any necessary accommodations
  - List in the email with the Hy-Tek entry (or on paper) the swimmer's name, entry times, strokes/distances, days/sessions, and how the swimmer prefers to be seeded. Swimmers with a disability will be seeded with the same age group on either the same distance race or a longer distance race (i.e., 50 free during 100 free).
